Notes

Halyard shanty

Alternative Titles: Bully in the Alley, Help me Bob,**This version:** CD: *Good Times*, Graeme Knights.**Notes on the words****Bully** - Bully is normally used to mean a fellow-sailor.

Could 'bully' be a synonym for 'drunk'? it could equally be synonymous with 'bullish' (aggressive) which, in Short's version, might account for leaving your jacket in an alley after taking it off for a fight.

Shinbone AI - a place often referred to in negro songs. There are Shinbone Alleys in Longboat Key, Florida, St. George's, Bermuda, in Antigua, in Pittsburgh and probably more.

Hugill, Stan, 1994, *Shanties from the Seven Seas*:

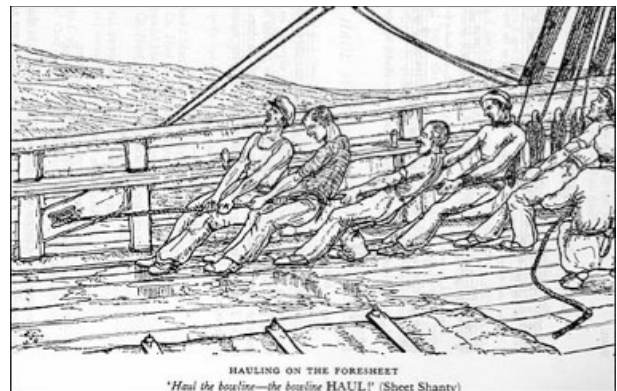

This shanty is of Negro origins which I came across in the Wet Indies. ...It may have been one used originally by cotton screwers.

1. So 'elp me bob, I'm bully in the alley
 Way-ay-ay, ay-ay-ay, bully in the alley
 So 'elp me bob, I'm bully in the alley
 Bully down in Shinbone al.

2. Sally am de gal down in our alley
 Sally am de gal that I spliced nearly.

3. I'll leave my Sal an' I'll go a-sailin'
 I'll leave my Sal an' go a-whalin'.

My informant "Harry Lauder" told me that from verse 3 onwards improvisation was the thing.

"There are three other shanties of this title in the **Carpenter** collection, with first lines that seem to be related:

1. Edward Robinson of Sunderland - John Brown's body in the alley
2. Cptn. Robinson of Sunderland - I lost my jacket in the alley
3. Mr. Forman of Leith, Edinburgh - I lost my coat in Story's Alley."
